ITHACA CALOUNDRA CITY LIFE SAVING CLUB

The Club has managed to finish the season on a good note, and growth of the Club is going well. Membership has increased and a few activities for the off season have been organised. Whilst the weather was bad for the Junior Lifeguard Carnival, the overall day went well overall. We are seriously looking at sending a team to compete at Rescue 2008 in Germany and will be getting commitments from various members at our training camp in Noosa.

Ken Chandler, Executive Director reports the first of the new style 'one day' 2007 Professional Development Workshops held on Sunday was a huge success.

65 Trainers from around Queensland attended and the feedback was very positive.

All Trainers should have a better insight into the requirements RLSSQ need to comply with to be an RTO. We need to look at continually improving what we do and how we do it. Together as Trainers we can achieve this.

Please note we have included an Order Form for the new SWIM & SURVIVE and BRONZE MEDALLION Resource Packs. Please return the order form to the RLSSQ office and we will have your packs out to you as quickly as possible.

Nominations are being called for the following positions:

1. Sports Committee
2. State Coach
3. State Team Manager

Please email Ken Chandler, Executive Director of RLSSQ on rlssq@ozemail.com.au if you require any further information or simply return the form on the back page.

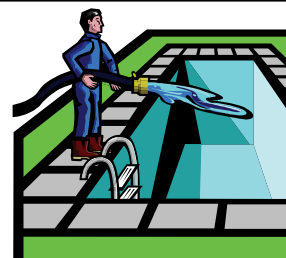

Also a reminder that **Nominations for Society Honours** are to be returned BY Friday, 16 June 2007.

Should you wish to obtain the Criteria or require further information please email Ken Chandler on the above email address.
